Coincidence or Destiny?: Stories of Synchronicity That Illuminate Our Lives Phil Cousineau

The pricking anticipation of a phone call seconds before ringing, the premonition dream of birth exactly nine months before, the chance meeting that opens a new career path, the eerie realization of a loved one's death half a world away . . . From Jung to Einstein, across boundaries of culture and time, people have recognized the potential for synchronicity to reveal a hidden order to seeming random events, and to offer a glimpse of one's destiny. In *Coincidence or Destiny?*, best-selling author Phil Cousineau shares more than eighty stories of coincidence, some simple, and some so extraordinary they challenge our belief system. *Coincidence or Destiny?* threads together what the author calls "sly winks of fate" from ordinary individuals around the world, to well-known scholars such as Larry Dossey and Huston Smith to famous movies such as *Casablanca*, each story demonstrates how meaningful coincidences can profoundly change and guide people's lives.
