## **Grace, Gaia, and the End of Days: An Alternative Way for the Advanced Soul** Stuart Wilde

In this book, Stuart Wilde gives you the keys to levels of metaphysical comprehension and sophistication not normally understood. Stuart says that we are in the Kali Yuga, the Age of Destruction, when the self-correcting intelligence of the planet (Gaia) will take back Earth on behalf of the animals, nature, and the little children. He says there are battles currently raging in the spiritual worlds between the forces of light and the ghouls (dark entities) in order to free us all. He describes a power he calls the Solar Logos, which he says comes to Earth to deliver a rebirth he calls the Renewal. As such, he calls this time the “End of Days”—not because the world will end, but because it is the end of the world as we know it.
