Master Takes a Name

Before he can embrace his future, he must accept himself.

Kael is happy with his life. A consummate sub, he's out, proud, and surrounded by good friends. Then he hears about Master L, a new Dom who has all the twinkles aflutter. Kael's curious, but not unduly so, until he and the stud do a scene. Then he understands the commotion. But since Master L only ever tops a sub once, when it's over Kael is determined to forget him, even if he has to go on holiday to do it.

Liam is deep in the closet, but the Dom known as Master L also has needs. So far, he's kept his identity a secret by never choosing the same boy twice, and frequently changing venues. After his scene with Kael, Liam finds himself fixating on the sub and willing to break his one-time only rule. But will it lead to heartache or happiness?

Somebody To Love

If you love someone...don't let go.

Lonely and miserable, A.J. Tucker lives a life of quiet desperation. When he's chosen to assist an award-winning author booked to speak at his school, the teacher realizes the shameful secret he harbors could be revealed. And it's one that could destroy his quiet, private life if his family and school board find out.

Logan Williams has come to this small North Carolina town for one reason only: to get revenge on the submissive who left him with little explanation. The powerful Dom plans to do whatever it takes to convince Tucker to resume the lifestyle and relationship he left behind.

When these two men come together in a powerful clash of wills, the love between them resurfaces. Ultimately they are forced to reexamine everything they thought they knew about one another and themselves.
