Radical Self-Forgiveness Colin Tipping

Most of us have plenty of experience with self-blame and guilt—but we are often at a loss when it comes to forgiving ourselves. According to Colin Tipping, this is because our idea of forgiveness usually requires a victim and a perpetrator—which is impossible when we play both roles at the same time. Tipping’s Radical Forgiveness process allows us to navigate this dilemma for deep and lasting healing. To help us gain freedom from excessive inner criticism and self-sabotaging beliefs, he offers the *Radical Self-Forgiveness* book and companion audio program. Join Colin Tipping to learn his step-by-step methods for going beyond the level of self-judgment and recrimination to the deeper spiritual state in which true forgiveness occurs.

What’s “radical” about Colin Tipping’s approach to forgiveness? “It’s not about telling ourselves a new story about something that happened,” he says. “It’s about creating a profound shift at the spiritual level.” Based on his world-renowned forgiveness workshops, the *Radical Self-Forgiveness* **book** shares clear insights for resolving our deepest internal wounds using Tipping’s five-stage forgiveness process. The *Radical Self-Forgiveness* **audio** edition offers a toolbox of exercises, techniques, and guided practices designed to help us break the cycle of blame and victimhood—an empowering attitude that helps us fully embrace every experience.

Many of our fears, anxieties, and even physical health problems originate from the parts of us that we consider unforgiveable. Yet when we recognize that we are worthy of forgiveness—no matter who we are or what we have done—we gain access to the loving energy of Spirit that can heal our deepest wounds. Used alone or in combination for an integrated practice, the *Radical Self-Forgiveness* book and audio program open the doorway to the freedom and inner peace that come from true self-acceptance.
