## **Women's Health Issues Across The Life Cycle: A Quality of Life Perspective** Angela Sammarco

Women's Health Issues Across the Life Cycle: A Quality of Life Perspective is a unique text that explores a wide-variety of health issues and concerns for women to offer a holistic approach to care. Presented within a quality of life framework, it provides a women-centered perspective to explore the range of factors that can impact women's health and well-being throughout the major life stages. The first text of its kind, Women's Health Issues Across the Life Cycle: A Quality of Life Perspective examines the ways in which the physical, psychological, spiritual, socioeconomic, and family domains impact women's quality of life. It also offers current research specific to women's health, health promotion strategies and interventions, case studies, critical thinking questions, and Internet resources for more information.
