America's Way Back: Reclaiming Freedom, Tradition, and Constitution

Donald Devine

America's Way Back: Reclaiming Freedom, Tradition, and Constitution Donald Devine
“The solution for the modern GOP . . . Intellectual ammunition for the modern conservative movement.” —SENATOR RAND PAUL

How can America recover from economic stagnation, moral exhaustion, and looming bankruptcy? Donald J. Devine shows the way.

Devine, a longtime adviser to Ronald Reagan, lays out a powerful case for the philosophical synthesis of freedom and tradition that Reagan said was the essence of modern conservatism. The secret of America's success, he shows, has been the Constitution's capacity to harmonize the twin ideals of freedom and tradition. But today, progressivism has so corrupted modern political thinking—in *both* parties—that leaders keep calling for the same failed tactics: more money poured into more big-government programs.

In *America's Way Back*, Devine not only reveals where things went wrong, and why, but also points the way to reclaiming America's freedom, prosperity, and creativity. The solution lies in a new “fusion” of traditional and libertarian thought.
