## **Salisbury Beach** Pamela Mutch Stevens

Salisbury Beach, surrounded by marshes and folklore of buried treasure, has long been a mecca for summer vacationers. In the "good ole summertime" of the 1890s, Salisbury Beach became the favorite resort of residents of the Merrimack Valley. Was it the magnetic force of the tide that beckoned people to the seaside, or was it the carefree carnival attitude that followed the Victorian era? Passengers arrived by horse, boat, train, electric trolley, and then by automobile to picnic on the beach and partake of the healthy sea air. By the light of the moon and the roar of the surf, couples danced the sultry summer nights away in the Ocean Echo and later at the Frolics. With the recent demolition of the Frolics, those evenings of dancing cheek to cheek to the music of Lionel Hampton and Frank Sinatra reside now only in memories. But for a brief moment in time, the gleaming white roller coaster towered like a giant skeleton over the amusement park while music piped out of the turret of the Ocean Echo Hotel, adding to the festive mood of the crowd.

### From reader reviews:

#### Angela Powers:

What do you think of book? It is just for students since they're still students or this for all people in the world, what the best subject for that? Just simply you can be answered for that issue above. Every person has different personality and hobby for every other. Don't to be forced someone or something that they don't wish do that. You must know how great as well as important the book Salisbury Beach. All type of book would you see on many resources. You can look for the internet resources or other social media.

#### Kurt Hooper:

Here thing why this specific Salisbury Beach are different and trustworthy to be yours. First of all studying a book is good nevertheless it depends in the content than it which is the content is as yummy as food or not. Salisbury Beach giving you information deeper including different ways, you can find any publication out there but there is no book that similar with Salisbury Beach. It gives you thrill examining journey, its open up your eyes about the thing in which happened in the world which is maybe can be happened around you. You can bring everywhere like in recreation area, café, or even in your approach home by train. In case you are having difficulties in bringing the printed book maybe the form of Salisbury Beach in e-book can be your alternative.

#### Michael Greene:

A lot of people always spent all their free time to vacation as well as go to the outside with them loved ones or their friend. Do you know? Many a lot of people spent they free time just watching TV, or maybe playing video games all day long. In order to try to find a new activity that is look different you can read any book. It is really fun for you personally. If you enjoy the book you read you can spent all day every day to reading a guide. The book Salisbury Beach it is very good to read. There are a lot of those who recommended this book. We were holding enjoying reading this book. Should you did not have enough space bringing this book you can buy the e-book. You can m0ore easily to read this book out of your smart phone. The price is not too expensive but this book possesses high quality.

#### Ricardo Hempel:

Your reading 6th sense will not betray a person, why because this Salisbury Beach publication written by well-known writer who knows well how to make book that could be understand by anyone who else read the book. Written in good manner for you, leaking every ideas and composing skill only for eliminate your own personal hunger then you still skepticism Salisbury Beach as good book not just by the cover but also with the content. This is one reserve that can break don't evaluate book by its protect, so do you still needing another sixth sense to pick this specific!? Oh come on your looking at sixth sense already alerted you so why you have to listening to yet another sixth sense.
