## **Arin's Judgment (Passages 2: Adventures in Odyssey)** Paul McCusker

What if history repeated itself—with you in it? Passages takes ancient stories and retells them from a kid's perspective. Loosely based on the popular "Adventures in Odyssey" series, Passages books begin in Odyssey and take you to a fantasy land, where belief in God becomes the adventure of a lifetime!

Theme: sacrifice and obedience; based on the story of Noah and the ark. One minute, Wade Mullens had been in Odyssey, attempting to burn his top-secret drawings for the atomic bomb. The next he knew, he was transported to a time period centuries before. A strange prophet predicts that Wade is the final sign—an end-times omen of a culture on the verge of annihilation. But a power-mad tyrant sees opportunity in the boy because of his bomb-making capabilities.

It's do-or-die time. Can Wade stop the reign of terror that the madman's bomb will surely bring?
