She's in over her head and he's in hot water...

Visiting her friends Ellie and Charlie in Hawaii was supposed to be a much-needed vacation for journalist Justine Simms. But when she learns the notoriously reclusive pro-surfer Chase Ryder is coming out of retirement for a competition, she knows she's found the perfect exclusive to save her career. Of course, *then* she learns he's the gorgeous, secretly nerdy guy who broke her heart a year ago.

Will Davenport—aka Chase Ryder—doesn't do interviews. He keeps his real name out of the papers and doesn't mix his public life with his private. That is, until the still-heartbroken Justine blackmails him into giving her an exclusive. Seeing Justine, stunningly beautiful as ever, brings back all the feelings he had before. But despite their smoldering attraction, nothing has changed since he had to leave her the first time.
