Morris: The Conflict of Laws

Morris: The Conflict of Laws

The Conflict of Laws is now a well-established textbook on this complicated and fast moving area of law. The text explains the fundamental principles of the subject but also allows the reader to stand back from the rules dealing with specific topics and to consider some issues which concern the working of the conflict of laws as a whole, in particular, the theoretical basis and methodology, thus, making it an ideal textbook for students on both academic and professional courses.
