Os pais apostólicos - clássicos (Portuguese Edition) Vários

Do final do século 1 até meados do século 2, os primeiros pais da igreja cristã escreveram cartas e outros textos que nortearam os primeiros passos dos cristãos de todo o mundo. Estes documentos, escritos em anos imediatamente posteriores aos livros do Novo Testamento, formam o primeiro conjunto literário de textos cristãos e são conhecidos como Os pais apostólicos. Liderança, política, moralidade, disciplina, comportamento e ética, além de uma forte ênfase na ortodoxia marcam estes treze textos — desde as Cartas de Clemente até O Pastor de Hermas, passando pela Didaquê —, revelando o temor genuíno, já naquela época, de que os cristãos fossem tomados por heresias, falsos profetas e acabassem perdendo a fé. A Mundo Cristão traz nesta edição um texto cuidadosamente traduzido e revisado, oferecendo aos estudiosos de teologia e ao público em geral uma obra de qualidade e importância histórica.
