Psiquiatría dinámica (Spanish Edition)

Joan Coderch

Psiquiatría dinámica (Spanish Edition) Joan Coderch

El objetivo de este libro es que psiquiatras, psicólogos, pedagogos, trabajadores sociales y todos aquellos que se hallan interesados en el estudio de los trastornos del comportamiento humano, puedan complementar el saber psiquiátrico con la luz y la claridad aportada por el psicoanálisis.

Joan Coderch se ocupa de las enfermedades que en psiquiatría se denominan "funcionales", es decir, las que no están provocadas por una alteración somática. Sin embargo, subraya que también en las enfermedades psíquicas de origen orgánico es posible una explicación psicodinámica de la forma que adopta el trastorno.

Con la publicación de esta edición totalmente revisada, Joan Coderch demuestra una notable capacidad de síntesis y claridad expositiva en este libro reconocido como un clásico de la psiquiatría dinámica.
