Removing the Masks That Bind Us John Randolph Price

Based on intensive research, bestselling author John Randolph Price reveals how we create our own experiences by the masks we choose to wear - masks such as the Victim, Tyrant, Manipulator, Fanatic, Worrier, and Deceiver. We put on these absurd false faces - sometimes unconsciously - to get our way, or to defend ourselves against the external forces that seem to be preying on us. The challenges of life seem to be magnified because the universe always reflects back the disguises we are wearing, replaying all of our misconceptions and vulnerabilities in the physical world.
