South Africa's Great White Shark

Thomas Peschak, Michael C. Scholl

South Africa's Great White Shark Thomas Peschak, Michael C. Scholl

The Great White Shark is an animal that inspires awe and fear: it is one of the world's foremost predators, equipped with the most formidable jaws in the animal kingdom. With attacks seemingly on the increase in the Western Cape region, as well as the increased popularity of Great White Shark tourism and cage diving, this giant of the deep is often in the news, but frequently for the wrong reasons. South Africa's Great White Shark is the definitive text for cage divers, marine biologists, tour guides, and photographers, providing in-depth coverage of Great White behavior, ecology, conservation, ecotourism and the truth behind cage diving, chumming and shark 'attacks'.
