## **StandOut 2.0: Assess Your Strengths, Find Your Edge, Win at Work** Marcus Buckingham **The Groundbreaking Strengths Assessment from the Leader of the Strengths Revolution**

In the years since the publication of *First, Break All the Rules* and *Now, Discover Your Strengths*, millions have come to the simple but powerful realization that to get the most out of people, you must build on their strengths. And yet, as Marcus Buckingham astutely points out, though the strengths-based approach is now conventional wisdom, the tools and systems inside organizations—performance appraisals, training programs, and succession planning systems—remain stubbornly remedial and exclusively focused on measuring skills, finding gaps, and attempting to plug them. It's a crisis for individuals and organizations, with management ideas and everyday practice utterly out of sync.

That's about to change. *StandOut 2.0* is a revolutionary book and tool that enables you to identify your strengths, and those of your team, and act on them. The original edition of *StandOut* provided top-notch insights from one of the world's foremost authorities on strengths, as well as access to a powerful, cutting-edge online assessment tool. Now, in addition to a much more powerful assessment and a robust report on your most dominant strengths, *StandOut 2.0* contains or provides access to:

- A StandOut profile, easily customized and exported, that you can use to present the very best of yourself to your team and your company
- Your own Personalized Strengths Channel, which, after you've taken the 15-minute assessment, will send you a weekly tip, insight, or technique to help you do your best work this week
- An entire strengths-based performance management system, including check-in and evaluation tools to track your progress, and that of your team

And much more. *StandOut 2.0* is your indispensable guide for building on your strengths to further your career—and help your team and organization win.
