Strategic Planning and Management for Library Managers

Joseph R. Matthews

Strategic Planning and Management for Library Managers Joseph R. Matthews

Libraries enter into strategic planning by a variety of routes, from dynamic technology and rising costs to budget cuts and pressure for change. In this book, Joe Matthews guides library managers towards a greater understanding of the role and attendant responsibilities of strategic planning. Academic, public, and special librarians alike will benefit from Matthews' cogent explanations, real-life examples, and time-tested recommendations.

In the process, Matthews addresses such intrinsic questions as: Why is it important that I add strategic thinking to my managerial arsenal? How will strategic planning benefit my library, and is there more than one way to go about it? What is the best way of monitoring and updating our strategic plan for maximum effect? In each case, he debunks false impressions, attends to the goal of providing good service, and identifies at least one new way to communicate the library's strategic importance in the lives of its customers. Academic, public, and special librarians alike will benefit from Matthews' cogent explanations, real-life examples, and time-tested recommendations.

From reader reviews:

Shawn Francis:

What do you consider book? It is just for students because they're still students or the idea for all people in the world, the particular best subject for that? Just you can be answered for that problem above. Every person has distinct personality and hobby for every single other. Don't to be forced someone or something that they don't need do that. You must know how great along with important the book Strategic Planning and Management for Library Managers. All type of book are you able to see on many sources. You can look for the internet options or other social media.

Thomas Daniels:

The book Strategic Planning and Management for Library Managers will bring one to the new experience of reading the book. The author style to describe the idea is very unique. In the event you try to find new book to learn, this book very suited to you. The book Strategic Planning and Management for Library Managers is much recommended to you to learn. You can also get the e-book in the official web site, so you can more readily to read the book.

Suk Barry:

The reason why? Because this Strategic Planning and Management for Library Managers is an unordinary book that the inside of the publication waiting for you to snap it but latter it will shock you with the secret that inside. Reading this book next to it was fantastic author who all write the book in such amazing way makes the content on the inside easier to understand, entertaining method but still convey the meaning completely. So , it is good for you for not hesitating having this anymore or you going to regret it. This book will give you a lot of rewards than the other book have such as help improving your ability and your critical thinking technique. So , still want to hesitate having that book? If I ended up you I will go to the e-book store hurriedly.

Pedro Gonzales:

That reserve can make you to feel relax. This specific book Strategic Planning and Management for Library Managers was multi-colored and of course has pictures on there. As we know that book Strategic Planning and Management for Library Managers has many kinds or type. Start from kids until young adults. For example Naruto or Detective Conan you can read and believe that you are the character on there. Therefore , not at all of book tend to be make you bored, any it can make you feel happy, fun and rest. Try to choose the best book for you personally and try to like reading that will.
