Perhaps no other weapon represents Renaissance Italian fencing like the rapier. But do we know how it was used and how it was taught? This book takes you to the fencing School, or Salle, of celebrated renaissance rapier Master Nicoletto Giganti of Venice, one among the period teachers leaving instructions on the use of this weapon. More uniquely, his 1606 text *The School, or Salle* is a veritable training curriculum, with its stepwise lessons and easy-to-follow explanations on the use of the rapier alone and rapier and dagger. This faithful translation of Giganti's *The School* by internationally-known rapier teacher Tom Leoni includes the complete text, original illustrations, and an introduction on rapier fencing that will make Giganti's text easy to follow. If you are a martial artist, a fencer or have an interest in European martial culture, this book belongs on your shelf.
