Perfect for fans of Laurie Halse Anderson and Gayle Forman, *Every Last Promise* is a provocative and emotional novel about a girl who must decide between keeping quiet and speaking up after witnessing a classmate's sexual assault.

Kayla saw something at the party that she wasn't supposed to. But she hasn't told anyone. No one knows the real story about what happened that night—about why Kayla was driving the car that ran into a ditch after the party, about what she saw in the hours leading up to the accident, and about the promise she made to her friend Bean before she left for the summer.

Now Kayla's coming home for her senior year. If Kayla keeps quiet, she might be able to get her old life back. If she tells the truth, she risks losing everything—and everyone—she ever cared about.
