This retitled and repackaged edition of the Gold Medallion Award winning Experiencing God Together, based on Blackaby's bestselling Experiencing God, which has more than three million copies in print. In A God-Centered Church, the Blackabys communicate the need for Christians to make the transition from doing God's will as individuals to knowing and doing God's will as a corporate body of believers. In paperback for the first time, this book shows churches how to accomplish His purposes by working together. It also helps churches experience the presence of God as a group while fostering the fullness of life intended for each community of believers. Blackaby and his son, Melvin, draw from their own firsthand experiences in global ministry and as a senior pastor.
