In today's Internet-driven world, customers have more power than ever. Blackshaw shows managers, marketers, and business leaders how to establish and maintain credibility for their brand by being authentic, listening and responding to customers, and forming relationships built on openness, transparency, and trust. Filled with stories based on his experience working with Fortune 500 brands such as Toyota, Dell, Nike, Sony, General Motors, Hershey, Unilever, Nestlé, Lexus, and Bank of America, Blackshaw offers a clear strategy to sustain a competitive advantage by creating enduring, loyal relationships with today's consumer.
