Steamroller Mary Calmes

About the last thing Vincent Wade expected was for Carson Cress to ask him out. Vince is a dedicated biology student and a bit of a loner. Superstar quarterback Carson is larger than life, and he lives under a public microscope. There's no way they should work. But Vince is learning that sometimes people just come steamrolling into your life, and all you can do is hang on for the ride or lose your heart in the process. If their relationship can survive the fallout when an injury derails Carson's future plans, maybe Vince can finally find something to believe in.
