The next person you trust...may be the last...

Lily Andrews was once the most sought-after undercover operative at Unit 67, a Black Ops agency buried deep within the U.S. Intelligence Community. But then her partner—and fiancé—turned rogue, leaving her for dead after a mission gone horribly wrong. Disgusted with 67's attempt to cover up Jackson's traitorous actions, Lily walked away from everything she knew and loved...and swore she'd hunt her ex down on her own and bring him to justice.

When the handsome, undeniably alpha Derek Moretti needs her help to pursue a ruthless sociopath who is putting advanced weaponry into the hands of terrorists, Lily sees her chance to return to 67 with her pride intact. She didn't realize how much she'd missed the adrenaline rush of being undercover—or maybe that's the heat that races through her whenever Derek is near. But soon Lily will have to choose between the vengeance she craves and the country she's sworn to protect. And with the clock ticking down on a nuclear catastrophe, she knows that this time, if she's trusted the wrong man, she won't live to regret it...
