About Ethan Russell Keith Richards said, “(His) was no ordinary eye, and I found out no ordinary mind behind it.... A quiet thoughtful man with a blinding vision. Enjoy his work. I do.” The true story of a young American who in 1967 traveled to England, knowing no one, and became the photographer for The Beatles, The Rolling Stones, The Who, and later the Eagles and many others. With over 250 photographs (including never before seen pictures of The Beatles, The Rolling Stones, The Doors, and others) An American Story takes the reader from San Francisco, to London, and back....on tour with the Rolling Stones, on the roof with the Beatles for their last concert, and directing music videos with Paul Simon, Rickie Lee Jones, kd lang, and John Lennon. Yet, American Story is more than that: at over 90,000 words, it is his personal journey wrapped in a shared-interactive history of the last half of the 20th century, a personal inquiry into America then and now. Conceived and designed from its inception to be an eBook, it connects to a dedicated blog, providing audio, video and social interaction to eReaders on any platform. The reader is invited in to experience Ethan Russell’s story, our common history, and to share their own. “An ambitious, startling, game-changing book written with enormous heart’ -- Rosanne Cash.

Jose Higham:

As a college student exactly feel bored to be able to reading. If their teacher requested them to go to the library or to make summary for some reserve, they are complained. Just small students that has reading's spirit or real their leisure activity. They just do what the teacher want, like asked to go to the library. They go to at this time there but nothing reading really. Any students feel that looking at is not important, boring and also can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important for you. As we know that on this period, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. So , this Ethan Russell: An American Story: It's Your History. Help Write It. (ed 1.0) can make you really feel more interested to read.

Janna Lefevre:

What is your hobby? Have you heard that will question when you got college students? We believe that that problem was given by teacher to the students. Many kinds of hobby, All people has different hobby. So you know that little person similar to reading or as reading through become their hobby. You should know that reading is very important along with book as to be the issue. Book is important thing to include you knowledge, except your own teacher or lecturer. You see good news or update about something by book. Different categories of books that can you choose to use be your object. One of them are these claims Ethan Russell: An American Story: It's Your History. Help Write It. (ed 1.0).
