First Time with a Highlander (Sirens of the Scottish Borderlands) Gwyn Cready

From the "master of time travel romance": RITA award-winning author Gwyn Cready continues her steamy Sirens of the Scottish Borderlands series

She needs a man-but only for a night

What do you get when you imbibe centuries-old whiskey-besides a hangover the size of the Highlands? If you're twenty-first century ad exec Gerard Innes, you get swept back to 18th-century Edinburgh and into the bed of a gorgeous, fiery redhead. Gerard has only a foggy idea what he and the lady have been up to...but what he does remember draws him into the most dangerous and exhilarating campaign of his life.

Be careful what you wish for...

Serafina Seonag Fallon's scoundrel of a fiancé has left her with nothing, and she's determined to turn the tables. If she can come up with a ringer, she can claim the cargo he stole from her. But the dashing man she summons from the future demands more than a night, and Serafina finds it easier to command the seas under her feet than the crashing waves he unleashes in her heart.

"Cready plays to her strengths in this dashing, breathtaking, and extremely sexy time-travel romp."

-Publishers Weekly, STARRED Review

"Cready displays her wonderfully inventive, intelligent, witty style in another charmer as a 21st century businessman is sent back in time. Blending modern-day lingo with a Scot's burr and a take-charge heroine with an alpha male is guaranteed to set off the kind of sexy fireworks Cready's fans expect." *-RT Book Reviews*
