Princeton Sermons: Chapel Addresses from 1891-1892

Sixteen powerful sermons preached in the chapel at Princeton Theological Seminary during the academic year of 1891-92. One needs only to read these addresses to understand why Princeton had a worldwide influence for the Gospel of Christ during these years. This volume was especially prized because two of the beloved professors, Caspar W. Hodge and Charles A. Aiken, were removed by death in the midst of that year. There are two outstanding sermons by B.B. Warfield, John D. Davis, William H. Green and others.
