Quest for the Golden Apple: An Unofficial Graphic Novel for Minecrafters Megan Miller

Phoenix dreams of seeing the world outside the high walls of her village. One day, she takes a risk—a quick hop over the walls—just to see the dark forest she’s heard tales of. It is a magical forest, but Phoenix’s forbidden trip unleashes a monster that attacks her brother, Xander. Her brother survives—but he’s turned into a dreadful, moaning zombie!

Now Phoenix has no choice. She must leave the village to find his cure. But beyond the gates are dangers far worse than the slow night-time zombies. Phoenix will have to conquer treacherous enemies of both night and day—as well as her own fears—to find the enchanted golden apple, which is the only hope for her brother to return to his normal self.

The first graphic novel for Minecrafters by *New York Times* bestselling author Megan Miller, *Quest for the Golden Apple* is sure to enchant readers of all ages who love playing Minecraft and who love a story full of action, adventure, and bravery.

For readers ages 8 to 12 (or for anyone who loves Minecraft), this graphic novel will be the perfect quick and engaging read. Parents and teachers will be especially drawn to the book for their reluctant readers, with more than 750 illustrations and minimal text.

Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a *New York Times* bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.
