Runaway Horses: The Sea of Fertility, 2 (Vintage International) Yukio Mishima

Yukio Mishima's *Runaway Horses* is the second novel in his masterful tetralogy, *The Sea of Fertility*. Again we encounter Shigekuni Honda, who narrates this epic tale of what he believes are the successive reincarnations of his childhood friend Kiyooki Matsugae.

In 1932, Shigeuki Honda has become a judge in Osaka. Convinced that a young rightist revolutionary, Isao, is the reincarnation of his friend Kiyooki, Honda commits himself to saving the youth from an untimely death. Isao, driven to patriotic fanaticism by a father who instilled in him the ethos of the ancient samurai, organizes a violent plot against the new industrialists who he believes are usurping the Emperor's rightful power and threatening the very integrity of the nation. *Runaway Horses* is the chronicle of a conspiracy — a novel about the roots and nature of Japanese fanaticism in the years that led to war.

From the Trade Paperback edition.
