Scrappy: A Little Book About Choosing to Play Big Terri L. Sjodin

For those times when hard work and persistence just aren't enough, Terri L. Sjodin offers a smart and savvy guide that will inspire you to get *Scrappy* and beat the odds.

Getting scrappy means working around an obstacle or challenge faster, smarter, and despite opposition. It means cultivating a fighting spirit, implementing a clever strategy, and following through with daring execution. Scrappiness is not just about doing something difficult in an ordinary way—it's about punching above your weight and achieving extraordinary results.

In *Scrappy*, Terri L. Sjodin tells the stories of ordinary people who reached their goals while saving time, money, or sanity, and shows readers how they, too, can get scrappy. For instance, you'll meet the Girl Scout who sold 117 boxes of cookies in two hours outside a medical marijuana dispensary, and an entrepreneur who turned his home into an indoor jungle to sell investors on his Rainforest Café Restaurant chain. Sjodin celebrates the astonishing success of scrappy people while showing that their success is not based on luck but is replicable.

Drawing on research, interviews, and her own personal experience, Sjodin reveals the common elements underpinning all successful scrappy efforts. She explains how to cultivate a scrappy attitude and strategy and walks you through execution of that plan. And she identifies best practices and shares stories of scrappy tactics that worked (as well as those that crashed and burned), providing both down-to-earth and over-the-top ideas to consider.

The beauty of the scrappy effort is that it can be employed by anyone, at will, in all manner of situations and circumstances. Whether you are a sales rep looking to close that big deal, a job-seeker trying to land your dream job, or a CEO who wants to take the company to the next level of success, the fastest way to get what you want is to get *scrappy*.

From reader reviews:

Laura Hargis:

Book is written, printed, or created for everything. You can know everything you want by a e-book. Book has a different type. To be sure that book is important issue to bring us around the world. Beside that you can your reading talent was fluently. A e-book Scrappy: A Little Book About Choosing to Play Big will make you to always be smarter. You can feel considerably more confidence if you can know about every little thing. But some of you think which open or reading the book make you bored. It's not make you fun. Why they could be thought like that? Have you searching for best book or suitable book with you?

Kyle Gill:

What do you concerning book? It is not important along? Or just adding material if you want something to explain what your own problem? How about your time? Or are you busy particular person? If you don't have spare time to try and do others business, it is give you a sense of feeling bored faster. And you have spare time? What did you do? All people has many questions above. The doctor has to answer that question since just their can do which. It said that about e-book. Book is familiar in each person. Yes, it is suitable. Because start from on jardín de infancia until university need that Scrappy: A Little Book About Choosing to Play Big to read.

Edgar Hightower:

Nowadays reading books become more than want or need but also turn into a life style. This reading addiction give you lot of advantages. The advantages you got of course the knowledge the rest of the information inside the book that will improve your knowledge and information. The info you get based on what kind of reserve you read, if you want drive more knowledge just go with schooling books but if you want truly feel happy read one together with theme for entertaining including comic or novel. Often the Scrappy: A Little Book About Choosing to Play Big is kind of reserve which is giving the reader capricious experience.

Cassandra Rosas:

Reading a publication tends to be new life style on this era globalization. With reading you can get a lot of information that could give you benefit in your life. Having book everyone in this world can certainly share their idea. Textbooks can also inspire a lot of people. A lot of author can inspire their reader with their story or even their experience. Not only the storyline that share in the textbooks. But also they write about the data about something that you need case in point. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book that exist now. The authors in this world always try to improve their ability in writing, they also doing some study before they write on their book. One of them is this Scrappy: A Little Book About Choosing to Play Big.
