The New California Wine: A Guide to the Producers and Wines Behind a Revolution in Taste Jon Bonne

A comprehensive guide to the must-know wines and producers of California's "new generation," and the story of the iconoclastic young winemakers who have changed the face of California viniculture in recent years.

The New California Wine is the untold story of the California wine industry: the young, innovative producers who are rewriting the rules of contemporary winemaking; their quest to express the uniqueness of California terroir; and the continuing battle to move the state away from the overly-technocratic, reactionary practices of its recent past. Jon Bonné writes from the front lines of the California wine revolution, where he has access to the fascinating stories, philosophies, and techniques of top producers. Part narrative, part authoritative purchasing reference, *The New California Wine* is a necessary addition to any wine lover's bookshelf.
